Hva skjedde? Utslippskutt

A large crowd of people is gathered outdoors for a climate protest. Many individuals are holding up handmade signs with various messages. Some visible signs include "COMMON SENSE", "OUR PLANET IS DYING", "WAKE UP!", "SYSTEM CHANGE NOT CLIMATE CHANGE", "WHEN THE PLANET IS DEAD YOU WILL STRIKE", "ACCESSIBLE FOR EVERYONE", "NO MORE Fossil Fuels", "Stand with Climate Communities", "OUR PLANET IS DYING", "WAKE UP!", "SYSTEM CHANGE NOT CLIMATE CHANGE", "WHEN THE PLANET IS DEAD YOU WILL STRIKE", "ACCESSIBLE FOR EVERYONE", "NO MORE Fossil Fuels", "Stand with Climate Communities", "OUR PLANET IS DYING", "WAKE UP!", "SYSTEM CHANGE NOT CLIMATE CHANGE", "WHEN THE PLANET IS DEAD YOU WILL STRIKE", "ACCESSIBLE FOR EVERYONE", "NO MORE Fossil Fuels", "Stand with Climate Communities". The crowd is diverse in age and appearance, and the atmosphere appears to be one of active participation in a public demonstration.

- “Urgently scaling up pre-2030 mitigation ambition and implementation”
- COP26 første gang fossil energi nevnes i en forhandlingstekst på klima i FN
- Tette gapet mellom mål (1,5 grader) og prate om faktiske utslippskutt
- Dele good practises, teknologi, gjensidig motivere til utslippsreduksjoner
- Mange forbehold, og skal ikke sette nye mål: focused exchanges of views, information and ideas, noting that the outcomes of the work programme will be non-prescriptive, non-punitive, facilitative, respectful of national sovereignty and national circumstances, take into account the nationally determined nature of nationally determined contributions and will not impose new targets or goals

Hva skjedde? Hovedbeslutningen

Nedfasing av unabated kull

Men koalisjon av omtrent alle Vestlige land, inkl.

fossileksporterende stater som Canada, Australia, USA og

Norge kjempet for “utfasing av all unabated fossilenergi”

1,5 grader vs 2 grader

Utslipps-topp innen 2025

Conference of the Parties

Twenty-seventh session
Sharm el-Sheikh, 6–18 November 2022
Agenda item 2
Organizational matters

Proposal by the President

Draft decision -/CP.27

Sharm el-Sheikh Implementation Plan

The Conference of the Parties,

Recalling decisions 1/CP.19, 1/CP.20, 1/CP.21, 1/CP.22, 1/CP.23, 1/CP.24, 1/CP.25 and 1/CP.26,

Noting decision -/CMA.4,¹

Guided by science and principles,

Reaffirming the outcomes of all previous Conferences of the Parties, Conferences of the Parties serving as the meeting of the Parties to the Kyoto Protocol and Conferences of the Parties serving as the meeting of the Parties to the Paris Agreement, including decisions 1/CP.26, 1/CMP.17 and 1/CMA.3 (the Glasgow Climate Pact),

Also reaffirming the critical role of multilateralism based on United Nations values and principles, including in the context of the implementation of the Convention and the Paris Agreement, and the importance of international cooperation for addressing global issues, including climate change, in the context of sustainable development and efforts to eradicate poverty,

Noting the importance of transition to sustainable lifestyles and sustainable patterns of consumption and production for efforts to address climate change,

Also noting the importance of pursuing an approach to education that promotes a shift in lifestyles while fostering patterns of development and sustainability based on care, community and cooperation,

Acknowledging that climate change is a common concern of humankind, Parties should, when taking action to address climate change, respect, promote and consider their respective obligations on human rights, the right to a clean, healthy and sustainable environment, the right to health, the rights of indigenous peoples, local communities, migrants, children, persons with disabilities and people in vulnerable situations and the right

Verdt å merke seg

- Common but differentiated responsibility
- Klimaforhandlingene kutter ikke utslipp - land, byer, selskaper, personer, sektorer, regioner og regler gjør.
- Konsensusbasert - trenger felles styring og retning, men går for tregt
 - > Trenger også spydspiss-initiativer og coalitions of the willing
- Nationally determined contributions -> forsterkes hvert 5. år, men velger selv hva målet skal være

Hva trengs?

- Vise vilje til endring
- Alle må gjøre alt en kan
- Sette langsiktige verdier i førersetet for beslutninger
- På med ledertrøya, vær modig
- Når vi unge kommer til makta er det for sent. Framtida er avhengige av vi som lever nå, som har makt på ulike måter idag - gjør alt vi kan så raskt vi kan

"Now is the time to decide if you want to be tomorrow's villains or heroes."

Norway's youth delegate Matilde Angelteit challenges world leaders at the [#COP27](#) summit to act now to prevent irreversible damage due to the climate crisis.

We need you to be brave, we need you to do absolutely everything in your power.

If you don't act now, it might be too late for us to right your wrongs when we inherit your seats.
